DRAFT COVID-19 Privacy Notice **List of Clergy, Staff and Visitors using Church buildings**

This notice explains how information about you will be used temporarily by the Stainton-in-Cleveland Parochial Church Council (Stainton PCC) during the Covid-19 pandemic crisis so we can put in place a list of clergy, staff and visitors making use of the church building/s, as requested by the Government in support of [NHS Test and Trace](#).

1. Who we are

The PCC of St Peter and St Paul, Stainton-in-Cleveland (Stainton PCC) is the data controller (contact details in Section 7 below). This means we decide how your personal data is used and why.

2. The information we collect about you and why we need it

We collect your data in order to record your visit to the St Peter and St Paul Church, Stainton. However, we are also collecting your data for the purpose of supporting NHS Test and Trace, as requested by the Government.

Although we may have your contact details already the Covid-19 pandemic has created a unique situation and additional reasons for us to collect the name and contact telephone number of all clergy, staff and visitors who use/visit our church building/s in order to support NHS Test and Trace.

This is specifically in relation to contact tracing, which is the process of identifying, assessing, and managing people who have been exposed to a disease to prevent onward transmission and the investigation of local outbreaks.

In summary, Test and Trace:

- provides testing for anyone who has symptoms of Coronavirus to find out if they have the virus;
- gets in touch with anyone who has had a positive test result to help them share information about any close recent contacts they have had; and
- alerts those contacts, where necessary, and notifies them they need to self-isolate to help stop the spread of the virus.

This is voluntary, and you can opt out of letting us share your details with NHS Test and Trace. We will still welcome your visit.

3. Lawful basis

We will use your information lawfully, as explained below:

- **Consent** – We need your consent in order to collect your name and contact details to record your visit, and to share this with NHS Test and Trace if requested. You will give us your consent by providing your details by completing our visit form.
- **Explicit consent** – We need your explicit consent to collect your data on the basis that you may have revealed a religious belief by using/visiting our church building/s. You will give us your explicit consent by completing the visit form and opting in/indicating “Yes” where requested, or “No” if you do not want us to share you data with Test and Trace.

You can withdraw your consent at any time after giving your details by letting us know you no longer want us to keep or share your personal data for the purpose of Test and Trace, however, once we have given your details to Test and Trace we will no longer be able to prevent processing. To contact us, please see our contact details at Section 7 below. We will continue to record your visit, unless told otherwise.

4. Sharing your data

Personal data that is collected about a visit to the Church will be used only to share with NHS Test and Trace if requested. It will not be used for other purposes outside of those specified in this Privacy Notice.

5. Data Retention

We will keep your name and contact details for **21 days** and will dispose of it securely after this period.

6. Your Legal Rights

Unless subject to an exemption under the GDPR or DPA 2018, you have the following rights with respect to your personal data: -

- The right to be informed about any data we hold about you;
- The right to request a copy of your personal data which we hold about you;
- The right to withdraw your consent at any time, while the church body still has your data;
- The right to request that we correct any personal data if it is found to be inaccurate or out of date;
- The right to request your personal data is erased where it is no longer necessary for us to retain such data;
- The right, where there is a dispute in relation to the accuracy or processing of your personal data, to request a restriction is placed on further processing;
- The right to obtain and reuse your personal data to move, copy or transfer it from one IT system to another. [*only applicable for data held online*]
